

In-Country/In-Region Scholarship Programme Open Calls for intake 2022!

Join a network of African scholars with connections to Germany!

DAAD Virtual Info Session and
Web Seminar Series Calendar 2021
2pm – 3pm EAT

Register here: <https://www.daad.or.ke/en/online-seminar-schedule/>

Would you like to study for a Master's or PhD in Sub-Saharan Africa and are looking for scholarships?

The DAAD currently offers Master's and PhD Scholarships for selected programmes in **Kenya, Tanzania, Uganda, Ethiopia and Sudan** in development-related fields. You can either apply for an in-country scholarship to study in your home country or for an in-region scholarship to study in another country of the Eastern Africa region.

Scholarship holders benefit further with the opportunities of conducting short-term research or attending interdisciplinary summer schools in Germany during their funding period in Sub-Saharan Africa.

Currently, scholarships are offered in 13 East African host institutions in the following subject areas as listed in the last page of this flyer:

Environmental, Natural Resource and Renewable Energy Technology; Family medicine, Nursing and Public Health; Agroforestry and Agricultural Economics; Education; Information Technology; Mathematical Sciences and Finance; Urban Planning and Management; Law; Biotechnology, Insect Physiology and Ecology; Plant Breeding.

The scholarships offer a monthly scholarship stipend, annual allowance for research and study costs, health insurance and travel allowance (only for in-region) and tuition fees at the universities and networks.

The programme is funded by the German Federal Ministry for Economic Cooperation and Development (BMZ).
